### 🎓 IB Geography Tutor | National University of Singapore | BSc in Geography

I hold a BSc in Geography from the National University of Singapore and have over 20 years of experience tutoring IB Geography, A-Level, and IGCSE Geography. As an examiner for both IB and A-Level boards, I help students achieve their best results through focused exam preparation and a deep understanding of the subject.

Teaches: Extended Essay Geography

Curriculum: IB A-Level IGCSE GCSE

## Qualifications

**National University of Singapore:** BSc in Geography  
(1998–2001)

**National Institute of Education, Singapore:** Postgraduate  
Certificate in Education (2002–2003)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With over two decades of experience, I've helped students from around the world excel in their Geography studies, especially in IB, A-Level, and IGCSE. My work as an examiner has given me unique insight into the assessment process, allowing me to guide students on how to maximise their marks in written exams and coursework. I have a proven track record of helping students achieve top scores.

In addition to teaching, I have extensive experience as a Head of Geography at leading schools, ensuring that my students receive a comprehensive understanding of geographical concepts. I work closely with them on their Internal Assessments and Extended Essays, providing detailed feedback and revision strategies to help them succeed.

My background in Special Education Needs (SEN) has further enhanced my ability to differentiate learning materials, ensuring that each student's needs are met effectively. I am passionate about helping students reach their full potential, no matter their starting point or learning challenges.
