🎓 Qualified Teacher | University of Toronto | BSc Chemistry

I'm a qualified Chemistry teacher with a BSc from the University of Toronto. With over 7 years of experience, I teach all areas of IB and A-Level Chemistry, including organic chemistry, thermodynamics, and chemical kinetics and more. Having taught across the UAE, I'm here to help you excel in Chemistry and achieve top results.

Teaches: Chemistry

Curriculum: IB A-Level IGCSE GCSE

## Qualifications

University of Toronto: BSc in Chemistry (1998-2002)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With over 7 years of teaching Chemistry, I specialize in IB and A-Level Chemistry, as well as GCSE and IGCSE. My teaching spans all major topics, including organic chemistry, thermodynamics, and chemical kinetics. My experience across schools in the UAE has provided me with a deep understanding of diverse learning environments, ensuring that I can effectively support students in achieving top results in Chemistry.

## Tutoring Approach

I focus on tailoring my lessons to the specific areas where each student needs the most help, whether that's mastering chemical equations or understanding complex theories like thermodynamics. By identifying their individual challenges and strengths, I build custom lesson plans to address those needs directly. My goal is to simplify challenging concepts and help students build confidence to excel in their Chemistry exams.
