Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 11 years, I've worked with students from diverse backgrounds, guiding them through IB and A-Level Psychology with a focus on achieving top marks. My academic and professional experience in psychology and counselling enables me to understand each student's unique motivations, fostering meaningful engagement and growth.

Having taught both in traditional classrooms and individual sessions, I'm adept at adapting my approach to meet different needs. My students have consistently demonstrated improved grades and confidence in their studies, and many of them continue to stay in touch, reflecting the lasting impact of our time together.
